

Join our Partner Referral Program!

Earn \$50 gift card PLUS an additional \$500 credit on your monthly service when you refer a new partner to Need Computer Help!

If you appreciate how Need Computer Help has transformed your business and you know other businesses who would benefit from our services, we would like to invite you to take part of our Partner Referral Program! Here are the details:

Make a Referral, Make \$50!

Just for making the qualified referral, whether they become a partner or not, we will send you a \$50 gift card upfront. If they become a partner, receive up to an additional \$500 off of your monthly service!

How to Make a Referral?

Send us an e-mail to info@needcomputerhelp.com with the Company Name, Contact Email, Phone Number, and City. Once you have emailed the information, we will confirm receipt of your referral and take it from there!

What Is a Qualified Connection?

Any business who is in the market for IT Support who has at least one server and ten workstations, anywhere in Greater Houston & Louisiana. You don't have to send any other info or ask them any other questions.

How to Get Paid?

Once we've confirmed contact with your referral, you will receive your reward within 15 days. If they become a partner, we will issue a credit of up to \$500 towards your monthly service.

Who Can Send Referrals?

Any business owner, partner, or employee is eligible to send in a referral and we will send the referral rewards to the business or the employee.

We value your trust in us and will always treat your referrals as we do you, with honesty and integrity, providing them with the best possible uptime and support.
